TRADE ACT PROGRAMS

Compensating for the Impact of Imports

If you have **lost your job or had your hours significantly reduced as a result of competition from imports** or your employer has moved your job overseas, there may be additional assistance available to you. Various Trade Act programs are available to **help you find a job comparable to the one you lost.**

Benefits available under Trade Act Programs:

- Training: Up to 104 weeks of training in work skills, basic education, literacy or English as a Second Language
- Income Support: Up to 52 weeks after unemployment insurance is exhausted if you are in a full time training program
- Job Search Allowance: Help with expenses related to looking for work outside your normal commute area
- Relocation Allowance: Help with moving expenses if necessary for your new job
- Income supplement: for workers over age 50 who find a new job within 26 weeks of lay off, but make less money (ATAA) - Separate Application Required at same time
- Health Care Tax Credit for certain workers between 55 and 64 years of age (HCTC)
